Spring 2010 Tryouts

Marblehead Youth Soccer Association (MYSA) will be holding tryouts for the spring travel teams on October 24th and October 25th at the Lower Village (front) fields. All players interesting in playing travel soccer in the spring are encouraged to attend. *If you are interested in playing on a travel team in the spring and cannot make the tryouts you must notify the appropriate age group coordinator prior to tryouts.*

The MYSA spring program does not include an intramural program for the U12 and U14 age groups. Any player in these age groups interested in playing soccer for MYSA in the spring must play travel soccer. MYSA does offer travel and intramural programs for the U10 age group. Participation in the Fall U10 program is a prerequisite for eligibility to play travel soccer at the U10 level in the spring.

The selection committee established for each age and gender group will perform travel team selection and placement. The committee will utilize coach's evaluations, tryout results, and personal observation to select and place players on a team that is appropriate for their individual skill level.
